

thank you for not smoking!

Washington's Comprehensive Clean Indoor Air Act (RCW 70.160) will mean...

...200,000 service workers can breathe clean air while at work!

...a reduction in the 38,000 deaths each year caused by secondhand smoke

...when you leave here, your clothes and hair won't smell like cigarette smoke!

If you smoke or chew, chances are you'd like to quit. You can be on your way by calling Washington's Tobacco Quit Line @ 1-877-270-STOP. Research shows that those who call the Quit Line double their chances of success!
